“ Aunt Agnes was a very loving, caring and gracious lady. I enjoyed visiting with her at her home when Uncle Jack was alive. And when she came to my mother's home to visit us when my sister and I and our families came to visit my mother. I believe she had to have been loved by everyone who knew her. I am sure everyone will miss her. But we should take comfort that she is with our Lord and Savior in Heaven. I am reminded of this prayer which I hope will help those who are greatly missing her.

"Lord, You are the Resurrection and the Life. And yet, You understand how hard it is to be apart from those we love. Bring peace, hope, comfort, and the assurance that You are always near, especially during this time. Lord, You are the Resurrection and the Life. And yet, You understand how hard it is to be apart from those we love. Bring peace, hope, comfort, and the assurance that You are always near, especially during this time."

“ Gary & Pat, I am so sorry to hear about Mrs. Agnes. She was a special lady. I so appreciate your parents being good neighbors to Daddy & Mother when they lived beside them. She always had a smile. My prayers for all the family.
