“ Gwen and family...I am so very sorry to hear about Doug. Lots of memories of growing up in Thornton, from camping out to Little League baseball, he is part of my fondest memories. He always had a smile on his face and a good heart. He will be missed.

“ I want to thank everyone for your warm thoughts and love for Doug. So many offers of help and support. I have always told my family just how wonderful my brother's friends have been to him through his toughest times, and I really don't have the words to express the gratitude I have for you all. Thank you for loving him as much as I do.

“ Gwen, I am so sorry about the loss of Boo. He was really one of a kind. I have such fond memories of him in ACT group and us driving around, having Chinese fire drills when we were kids. We reconnected when I moved back to Fordyce about 5 years ago. I saw him about 2 weeks ago and got to talk to him for just a few minutes. Will be praying for you in the days to come. Please let us know if there is anything we can do for you. Rhonda Culp Bryant 601-480-9413.
