“ I worked with Mr. Jim for about 8 months a few years ago. He was a bright light in a difficult time... I loved getting to listen to his stories and being able to hear the love in his voice when he spoke of his family and his passion for fixing things. He was so kind to me. I'll always be grateful for meeting him.

“ Mrs Linda we were so sorry to hear about Jim. I always thought of him as the NAPA guy who could help with anything. I'll never forget him giving me a NAPA soccer ball for my grandson. He was a classy guy. He will be missed. Praying for you and the family.

“ Linda, I was so shocked to hear about Jim. My thoughts and prayers go out to you. Jim and I always talked to each other about our grands at work. His face would light up as he shared pictures etc of his first one.
