“ Ms. Celeste, Hunter, Rebecca
I'm not sure if yall remember me or not. However John was a great mentor and friend to me while going through all my EMS courses. I never would have made it without him. He also took care of my mom before she died. He was also a friend to my wife when she worked at OCMC. I just learned of his passing and it kills me to hear it. Men like John are extremely few and far between. I ran alot of calls with him and there was never a time that I didn't learn something new from him. I know he loved and treasured all of you. I also know he was a devoted child of God and as such you shall see him again. He will forever always be greatly missed by myself, my wife and my family. We love yall and we are praying for all of you.

“ I just learned that John passed away. I offer my condolences to Celeste and her family. I had the joy of working with Celeste in my last year running the ALE and the pleasure of teaching his children. There are never words enough to overcome the grief but you may know from Isaiah 43:1-3a that you are not alone. I shall lift you all up by name in prayer.

“ Mr. Hall has always been a kind man when you are around him. He would bring a smile to your face everything. He once drove my mom to the hospital in his ambulance and he'd always check to see how she was doing. I will truly miss his smile but I know that I will see it again when we met on the golden shores of heaven.

“ John has been a dedicated, loyal employee of OCMC for over 15 years. He has cared for hundreds of people in our community and many of them were our own employees and families. I have heard testimonial after testimonial of the sincere compassion and care that he provided to those that rode in the ambulances with John and our team. I can personally testify of the enormous love that he had for his family. Every time we met in the hall he would tell me of how his "little ankle biters" (referring to his grandbabies) were doing. His presence will always be with us in spirit with many joyful memories to bring smiles to our faces.

Stephanie Moffett, HR Director - May 10 at 01:06 PM

“ My thoughts and prayers are with the family. Truly enjoyed John as a part of the OCMC family. Will miss seeing him in the hallways here. May God comfort you in your time of sorrow.

“ To the Family of John;

You know your loved one much better than I do. But as a Calhoun County Ambulance EMT, I intercepted with John a few times. He was one of the most knowledgeable Paramedics I knew. He was a natural teacher. I never intercepted with him that I did not gain knowledge. You could tell by his attitude that he enjoyed passing on his knowledge. John will be missed for his calm demeanor. He did not get flustered. I am so sorry for your loss, but take comfort that he made a difference in many lives. Prayers for your family.

“ Celeste: I had no idea. I went to Scoot Blankenship's funeral and thought I would tell John about it and that is how I found out. I am deeply saddened. Where is he laid to rest? Had I known I would have shown up.
