“ I am just now learning of Ronnie’s passing, still shocked by it, and so very sad for this great loss to his family, community, and all who knew him. From grade school to BHS ‘64 graduation and through the years, he was was known and liked for his humorous, kind personality and just for being such an all around good guy. His wife and family are in my prayers as you grieve and adjust to life without him. God bless and comfort each of you.
